Description of Program

Town of Vegreville, Vegreville & District Family & Community Support Services (FCSS) department delivers the “Sizzlin’ Summer” day camp program to offer a wide variety of activities to keep your child both engaged and excited during the summer.

Sizzlin Summer is designed based off the “**Developmental Assets Framework**” and our goals are to develop the following:

1. Positive values
2. Social skills
3. Self-esteem
4. Children feel valued by adults in the community.
5. In addition, FCSS has created the “Junior Leader Program” that prepares youth for the world of work and volunteering within the community. This program includes submitting a cover letter and resume, completing an interview, and if selected completing training. Jr. Leaders are then given the opportunity to transfer their knowledge to a work setting with the Sizzlin’ Summer Day Camp, or with other FCSS programs and events throughout the year.

Behaviour Policy

What if a child misbehaves?

The Sizzlin' Summer Day Camp staff would like your child to have the best experience possible while at camp this summer. Thus, all participants must understand and follow the camp guidelines and

rules.

These guidelines and expectations are in place to ensure the safety of your child and staff:

- Listen to staff.
- Respect Day Camp staff and other camp participants.
- Respect camp property and facility property.
- Keep hands, feet, and other objects to yourself.
- Participate in camp activities.
- Follow staff instructions when on field trips and when out in the community.
- Clean up after yourself.
- Be positive and have fun!

Sizzlin' Summer is run on a 3-tier warning system. Campers will get two warnings before a call home is made. If the behavior is deemed (by staff consensus), to be significant, the child will automatically be sent home for the rest of the day. Warnings will be documented by the staff member to present to the parent when the child is picked up. The warnings reset at the beginning of each day.

There are 3 main reasons a child could be sent home:

1. Danger to him/herself or others. This could include:
 - Hurting oneself or someone else / bullying other program participants
 - Running away / leaving camp
 - Refusing food or prescribed medication
 - Refusing to follow camp rules & staff directions
 - Destroying property
2. Requires constant one-on-one attention.
3. Engages in any illegal behavior

If your child is sent home:

- The parent or guardian is responsible for picking them up at camp.
- No refunds will be provided.
- Any charges that are incurred due to destruction of property will be the responsibility of the parent or guardian to pay.

Please review these rules with your child. The staff will review these rules with your child at the beginning of camp. Thank you in advance for your cooperation, and we hope to have a fantastic summer!
