COMMUNITY STANDARDS BYLAW

Town Council approved the updated Community Standards Bylaw on October 26, 2026 at their Regular Council Meeting.

The bylaw outlines expectations for private property maintenance, neighbourhood liveability, public safety, and respectful conduct. This includes property upkeep like snow removal and lawn maintenance, noise, nuisances, and behaviour in public spaces.

These standards help support a safe, clean, and welcoming community for everyone. Residents are encouraged to review the updated bylaw to learn more about their responsibilities and the changes.
